Dear Sandro,

On behalf of the European Society of Human Genetics, I would like to congratulate you for a

HONOURABLE MENTION

at the European DNA Day Essay Contest 2016 of the European Society of Human Genetics

Your essay has impressed the members of the jury based on its originality, its scientific content and the fact that you expressed so clearly your views on genetics and DNA in relation to human disease.

We do hope that your interest in genetics and DNA will continue to grow over the years and that you will continue to follow the developments in the field, which promise to become more and more spectacular.

Thank you for participating in the contest. We wish you all the best in your future studies.

Yours sincerely,

Professor Feliciano Ramos
President of the ESHG
